Accessories

Hotbox 3

FEATURES

Hotbox 3 storage solves the issues of personal storage and organisation in an agile workplace.

Hotbox 3 features a main compartment, bespoke pockets and a thinner compartment to keep your laptop or larger documentation safe.

The soft grip handle allows you to move your Hotbox around the office with ease and comes with a black shoulder strap for when you are on the go.

Two Velcro sealed pockets in the fold down flap for phone and pen storage.

Side pull handle for easy locker removal.

Business card holder for easy identification.

Four standard Camira Rivet colours to suit your style. Rivet is made from REPREEVE®, a polyester made from recycled plastic bottles.

Accessorise with a custom fabric pencil case or laptop sleeve.

400W x 145D x 290H
.85 kg
