Hotbox 1

Accessories

Hotbox 1

FEATURES

Hotbox 1 storage solves the issues of personal storage and organisation in an agile workplace

With different colours to choose from, its nimble, open design means you can transport all your important items in style wherever you choose to work.

Perfectly proportioned with a handy single compartment to store your larger work items and 3 smaller compartments at the front to hold your stationery, supplies and trusty mug.

Just a fraction larger than an A4 piece of paper, Hotbox 1 comes in a series of block colours - pink, yellow, blue, white and brick.

The Hotbox 1 is fully recyclable, and even its packaging has a purpose. It can be transformed into a box to help keep your locker organised.

312W x 182D x 190H

.91kg

Available in five colours

One large and three small compartments

Sturdy design with soft grip handle

The packaging can be used to organise your locker.
