Hotbox 2

FEATURES

Hotbox 2 storage solves the issues of personal storage and organisation in an agile workplace

Available in various shades, this portable storage device has an inbuilt whiteboard, room for photos, an iPad, plus Hotbox's pop-up pencil case.

Hotbox 2 features a side pull handle to help you pull your Hotbox 2 from your locker, and a business card holder for easy identification.

A soft grip handle and optional shoulder strap, enables you to move your Hotbox 2 with ease and comfort. Once at your desk, the opened cover acts as a protective mat for your desk.

The centre divider whiteboard enables you to make quick notes on the fly.

Select from a range of coloured fabric covers. A slide-on photo frame can be hung on your Hotbox 2 or stood on your desk.

Hotbox 2 comes with two utility pots to help keep your space organised.

There is also a range of coloured fabric pencil cases and laptop covers to compliment your choice of cover.
