

ROOM

Meeting Booth

Making meetings more meaningful.

The Meeting Room fosters a more connected experience that inspires a better way to work, together. Thoughtfully designed to create more meaningful one-on-ones and small team collaborative work, without the hassle of traditional construction.

From sustainable soundproof walls to the added option of a built-in monitor and 180-degree camera for video-conferencing, the Meeting Room is the missing link to a more productive work environment.
