Standard features

1 Desk

A spacious desk gives you plenty of room to bring your ideas to life. Chair not included.

2 Sustainably Soundproof

Made from recycled PET and engineered to reduce noise by 27dB.

3 Skylights

More natural light means more room to free your mind and think big.

4 Ventilation

Silent fans in the roof and air inlets under the desk and by the door keep the air inside fresh at all times.

5 Accessory Rail

Custom rail makes room for accessories like hooks and shelves, for a clutter-free work session.

6 Built-in Power

A built-in power unit ensures outlets and USB ports are at your fingertips, keeping you charged and connected.

7 Credenza

Make the room your own with a credenza designed to show off your unique taste, and not your clutter.

8 Coathooks

Hang up your jacket or bag for a hassle-free work session.

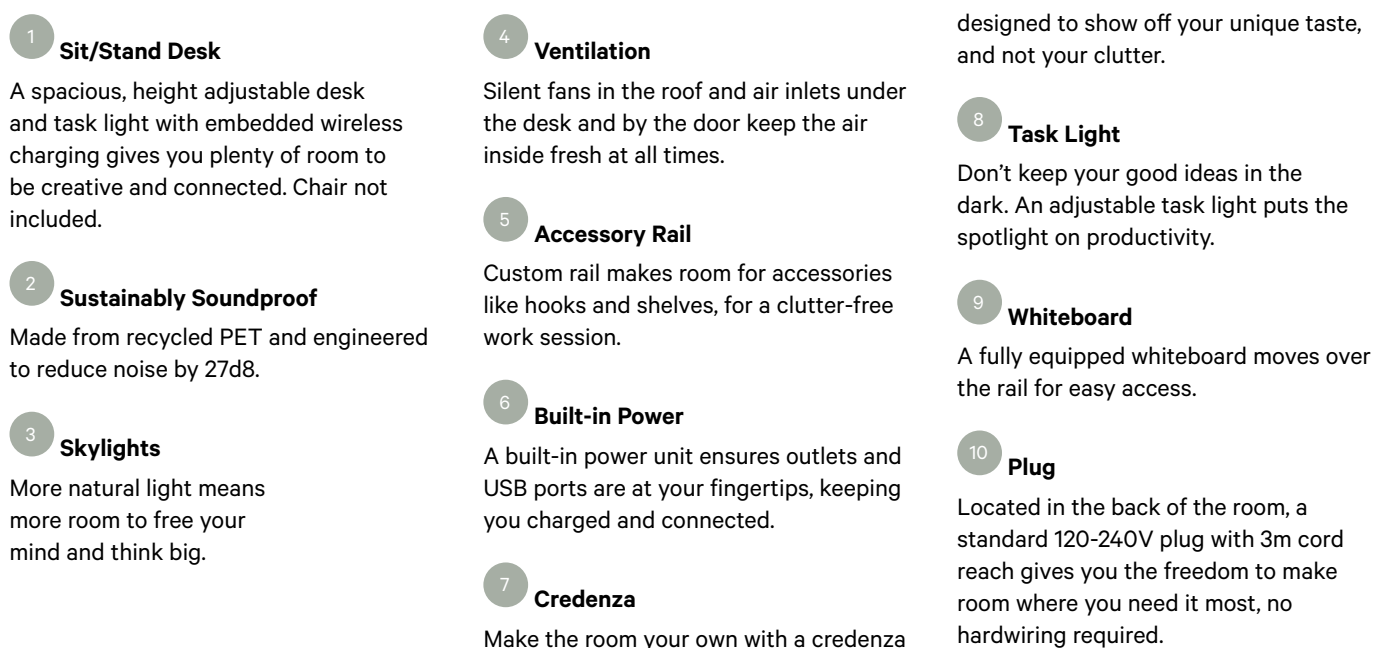

9 Task Light

Don't keep your good ideas in the dark. An adjustable task light puts the spotlight on productivity.

10 Plug

Located in the back, a standard 120-240V plug with a 3m long power cord gives you freedom to make room where you need it most, no hardwiring required.

Pro features

Soundproof

Engineered by leading acoustic experts
so private conversations stay private.

Flexible

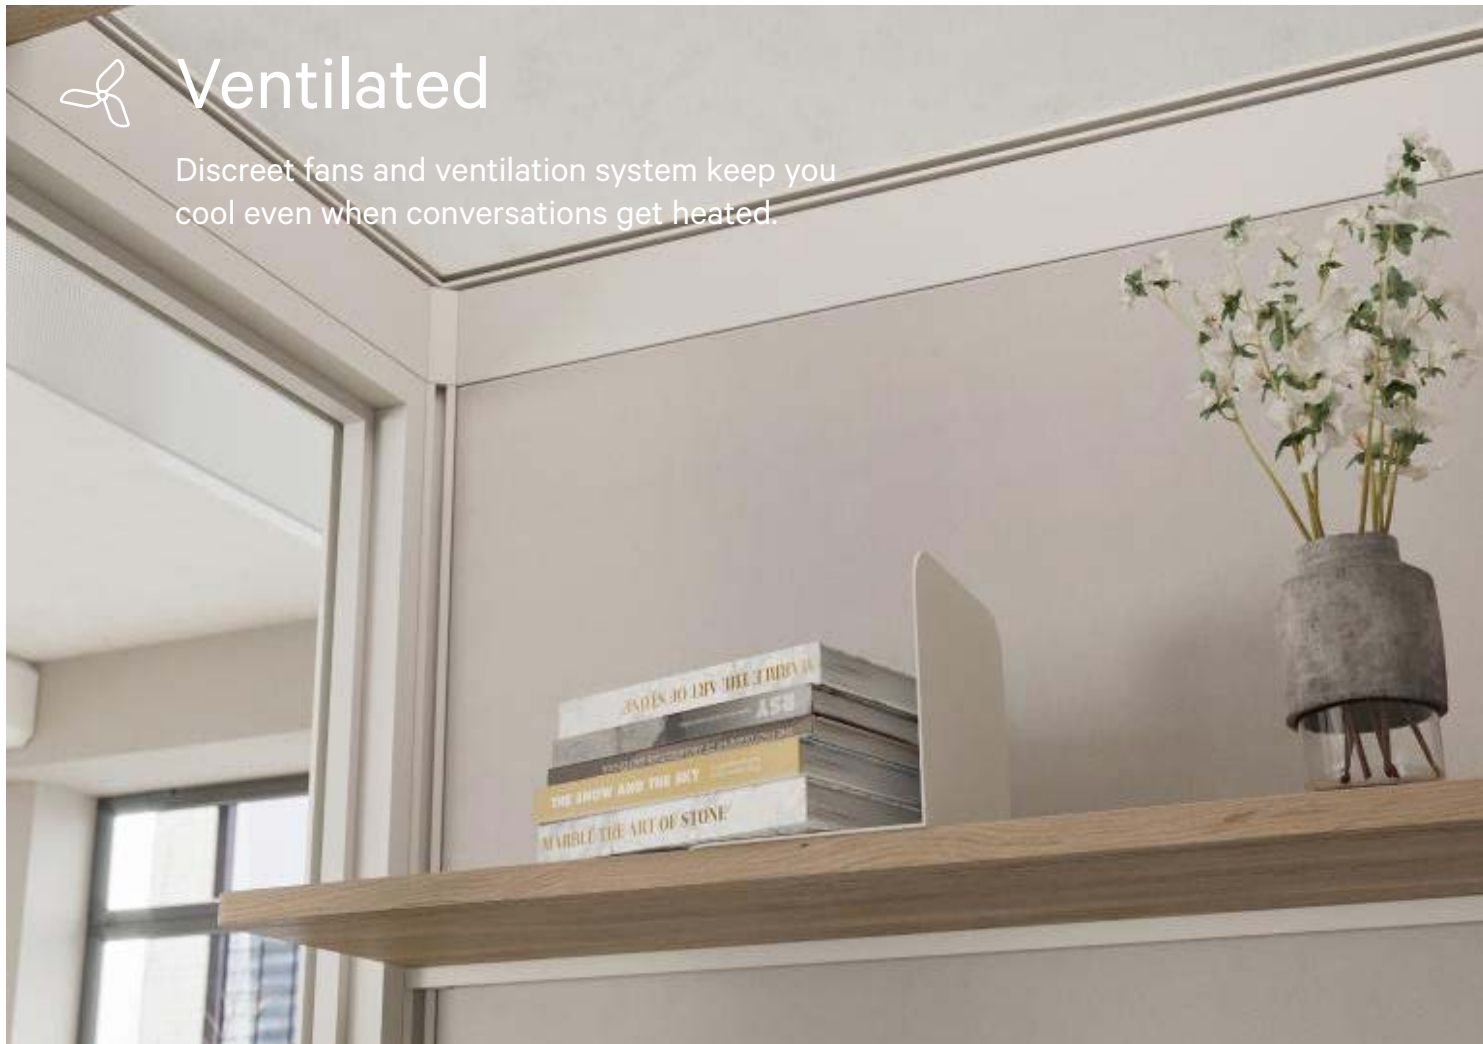

Adaptive design makes the booth easy
to assemble and move around.

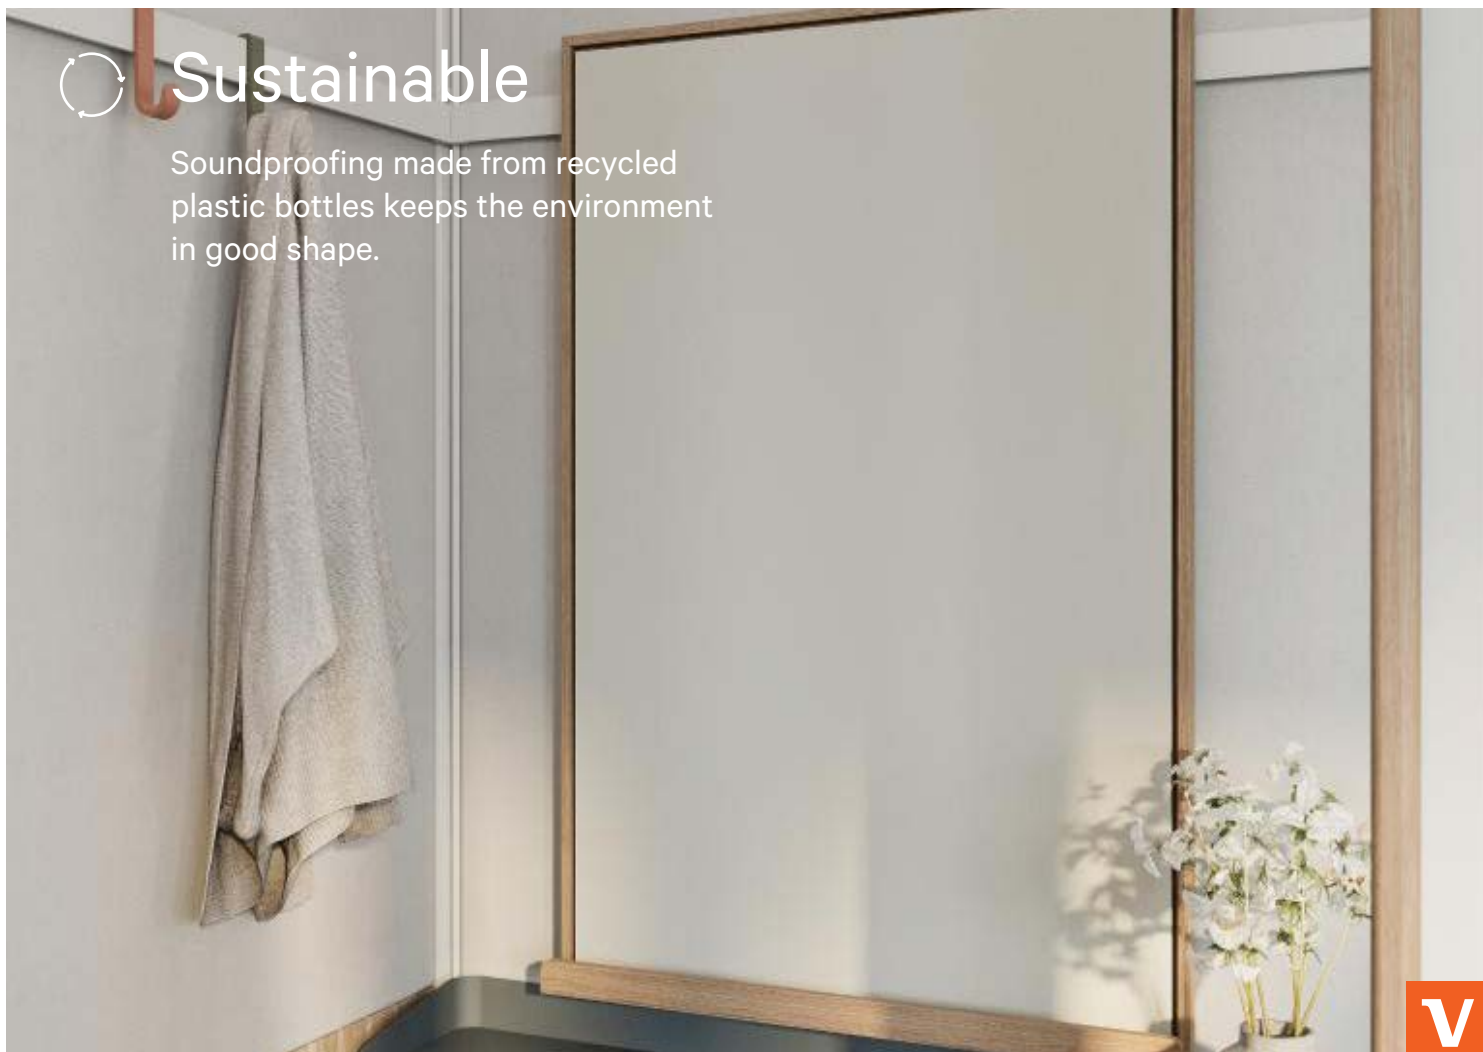

Ventilated

Discreet fans and ventilation system keep you cool even when conversations get heated.

Sustainable

Soundproofing made from recycled plastic bottles keeps the environment in good shape.
